

Hi there!

Yes, the rain will stop – the forest will be green and the sun will shine! We have a much better water table now than we did a month ago... everything has had a good long drink... and we are now ready for a fun and prosperous summer!

Littlebird's Marketplace starts this SUNDAY! In just two days the Lawn at Littlebird's will be filled with vendors selling their wares and folks shopping, visiting and eating too! All of us at Littlebird's are so looking forward to all of you coming to visit! Many of our previous vendors are returning (thank you!) and we have several new people come to test the waters of "the Seeley Market". It should be a great year. Might be a bit of a slow start on the produce end of things because of weather and such but I am assured that will change and Jessy and Chaud and Bob and Gennell will wow us with wonderful goodies as soon as the sun starts to shine! Chaud promised that they will be with us next week!

If you want special order baked goods or salads or quich please call and let us know! If you have company coming and want a dozen cinnamon rolls or scones anytime just call us a day or two in advance and let us know! We will be glad to help you out so that you can enjoy yourself with friends and family ! 677-FOOD for any catering needs!

When coming to the market -

Please turn at the CAR WASH and PARK at the GRADE SCHOOL

I really want to show Pam and Loren and MBF that we are good neighbors!

With church on Sunday and the Quilt store open on Sundays

I really do not want their parking lots filled with my guests.

Please help me out and spread the word – ...

PLEASE DO NOT PARK AT THE QUILT STORE OR THE CHURCH on Market Days.....

Thanks so much for helping me out with this, it is so important to me to respect my neighbors!

I, and they appreciate your consideration!

SUNDAY BRUNCH You asked for it – You got it!

The Brunch that the Ecuador travelers hosted at Littlebird's was such a success that we are going to offer something similar on Sundays! Your support of that effort and your requests for more lead us to believe that a Sunday Brunch is something that you would like to have and will support! So grab a paper and a friend and enjoy a leisurely Brunch on a Summer Sunday!

Eat inside or out – it'll be great!
